February 21, 2011

Montessori Education Week & MOM's Peace Pole Ceremony

Join Montessorian's worldwide in recognizing and promoting the Montessori method during Montessori Education Week (February 28 – March 4). Montessori of Macon will start its celebration on Friday, February 25 with our annual Peace Pole Ceremony. Dr. Maria Montessori designed her educational philosophy to include education for peace.

Many years ago, MOM erected a peace pole that includes quotes about education and peace. It has become an annual event during Montessori Education Week for the children to present songs or poetry in recognition of Dr. Montessori and the Montessori philosophy of education for peace. A place for the peace pole from Forest Hill has not been designated yet, but we will gather and celebrate just the same!

Drop-Off Traffic

Safety First!!!

Morning is a hectic time, and frequently you may be in a hurry to drop-off your child and get to work or an appointment, etc. However, our children's safety is our first concern, so please follow the designated traffic patterns for your child's class. Bypassing lanes and/or other cars will only serve to make the flow erratic and less predictable by those traveling on foot.

- **DO NOT** cut across the median. There are small trees planted there and the ground is soft.
- **DO NOT** pull to the front of the drop-off line, if there is no room at the end of the line, please make the loop and wait for a space to open up.

Financial Aid 2011/12

Financial Aid Applications are available in the school office and on our website.

Deadline is March 4th at 1:00.
There are NO EXCEPTIONS to this deadline!

Questions? Contact Michele at mscott@montessoriofmacon.org
