Can We Reach You?

Several times in the last month, we have dialed a number for a family that is no longer in service. Please make sure that we have your correct contact information, especially cell phones and emergency numbers. If you are unsure, you can request a copy of the Emergency Form via email and review/update the information. Thank you!

Parent Power

Parents, if you are in need of hours, the following are ways you can help around our campus. Thanks!

- **Planting:** We have some plants that need to get into the ground before a hard freeze comes.
- **Air Filters:** We need several volunteers to change the heating and air conditioner filters on a regular basis.
