MONDAY MESSENGER

SILENT AUCTION ITEMS NEEDED!

Each year, MoM families help support the Music and Munchies Silent Auction by collecting items for donation. Donated items can be handmade by the family or a family friend or from a favorite business (a gift certificate from a local company, a homemade quilt, a cake, or a basket of goodies). Those donations go a long way in making the silent auction at Music and Munchies a success. MoM is also a 501(c)3, so all donations from individuals or businesses are tax deductible. We can provide forms for those who need them in the school office. Auction items must be dropped off at the school office before the event on April 22.

Strategic Plan Input Needed!

Our Montessori of Macon Board of Directors has been working to develop our next five-year Strategic Plan. The Board is working with a consultant, Sayge Medlin, from the JW Fanning Institute to facilitate this important process.

We are now to the critical step of gathering feedback from our stakeholders. Any successful Strategic Plan needs input from those being served, including staff, parents, alums, and students. Your input and ideas are critical to guide the work of our school over the next five years. With your ongoing support, stakeholder feedback, and the hard work of our staff, we can build upon what came before and accomplish even greater things!

There are two ways for you to participate and share your feedback. You can do either one or both!

#1: You can follow the link below to a survey. This survey needs to be completed by April 11th.

[Strategic Plan Stakeholder Survey Link](#)

#2: We invite you to attend a virtual focus group meeting on April 11th at 6pm. You can sign up to attend using the link below.

[Strategic Plan Stakeholder Focus Group Link](#)

Thank you in advance for completing the survey and/or attending the virtual meeting. Your feedback will be used to develop areas of focus and goals for the next 5 years. This plan will help us continue to provide our children with a high-quality education, improve our facilities and campus, strengthen our community, and more! If you have any questions please contact the office.
